

Claims Administrator Patrick Juneau has announced that the Settlement Program began issuing payments on July 31, 2012, and has been issuing outcome Notices since July 15, 2012. The Program will issue Notices on a rolling basis as we complete reviews, and they will include Eligibility Notices, Incompleteness Notices, and Denial Notices. Each Notice will provide information explaining the outcome. We will post Notices on the secure DWH Portal for any law firm or unrepresented claimant who uses the DWH Portal. We will notify firms and unrepresented claimants by email at the end of each day if we have posted a Notice that day. Firms and unrepresented claimants may then log onto the DWH Portal to see a copy of the Notice(s). Law Firms or claimants who do not use the DWH Portal will receive Notices in the mail. Claimants who receive an Eligibility Notice and qualify for a payment will receive that payment after all appeal periods have passed, if applicable, and the claimant has submitted all necessary paperwork, including a fully executed Release and Covenant Not to Sue.

**Legend:**

1. Form Submitted - Includes electronically filed claim forms after the claimant or his attorney completes the electronic signature and clicks the Submit button. This definition also includes hard copy claim forms where the DWH Intake Team has completed both the linking of scanned images and the data entry on that form.
2. Unique Claimants with Form Submitted - Counts the unique number of claimants with at least one Claim Form Submitted for each Claim Type. Because claimants may file claims for more than one Claim Type, the sum of all Claim Types will not equal the count of total unique claimants.
3. Notices Issued – The Seafood Compensation Program row (row 1) of Table 3 includes Seafood Supplemental Distribution Claims (Round One, Round Two, and Residual Distribution). The count of Notices Issued in Table counts each unique claim issued a Notice only once. For claims issued multiple Notices, this report uses the following hierarchy when counting the claim: (1) Eligibility Notice if the claim has been paid; (2) Most recent active Notice if the claim has not been paid; (3) If the claim has been closed it will not be counted as an Eligibility Notice unless the claim has been paid.
4. Payment Information - The timing of payment can be affected by a number of factors. Even after the DHECC receives a Release, delay in receipt of a W -9, or in receipt of the Attorney Fee Acknowledgment Form can delay payment. In addition, any alterations or omissions on the Release Form, or an assertion of a third-party lien against an award amount, can delay payment. As a result, this report will show a higher number of Accepted Offers than Amounts Paid. The Seafood Compensation Program row (row 1) of Table 4 includes Seafood Supplemental Distribution Claims (Round One, Round Two, and Residual Distribution).
5. Appeals Received - Excludes Appeals closed pursuant to 4/24/13 Court Order.
6. Note: The Claims Administrator continually monitors the status of all claim filings. Through this process, the Claims Administrator may find duplicate claims from the same claimant. In such cases, the Claims Administrator will close the duplicate claim and only process the remaining valid claim. This report excludes duplicate claims from all counts of claims filed.
7. Note: The Seafood Supplemental Distribution Notices (Round One, Round Two, and Residual Distribution) are included in the Exhibit A as appropriate.
8. Note: The final deadline for filing all claims other than those that fall into the Seafood Compensation Program was 6/8/15.
9. Note: The total claims received may continue to experience insignificant changes as the CAO continues to process outstanding claims.
10. As to Table 3, the Total Claims Issued Notice figure contains 3,610 Notices of Withdrawal, Closure, and Denial which have previously been issued to claimants prior to the finalization and submissions of their associated Claim Forms. The partially completed Claim Forms associated with these Notices are not included within the total population of Claim Forms Submitted in Table 1.
